

Session Organizer: Prof. Shing-Tai Pan

I am organizing a special session on **Applications of Artificial Intelligence and Soft-Computing** for ISDA 2008, which will be held in Kaohsiung City, Taiwan on November 26 - 28. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Design Automation
2. Engineering Simulation
3. Evolvable Hardware
4. Regression & Optimization
5. Internet Applications
6. Robotics & Computer Vision
7. Hybrid Systems
8. Digital Signal Processing
9. Automatic Control
10. Applications in Solving Engineering Problems

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to stpan@nuk.edu.tw.

Important Dates:

Deadline for paper submission ----- **May 1, 2008**

Notification of acceptance ----- **June 1, 2008**

Deadline for camera-ready manuscript submission ----- **July 1, 2008**
