| 【Kaohsiung 85 Building】 |  | Located on the 75th floor of Grand Formosa Kaohsiung, the highest building in Taiwan, 75 View Deck provides spectacular panoramic views over the city and harbor. Take the world's 3rd fastest lift, which reaches the 75th floor in only 43 seconds, at 600 meters per minute. On the top you can enjoy the sunset of Longevity Mountain (Shoushan), the beautiful scenery of Love River and Kaohsiung Harbor. |
| 【Dream Mall】 |  | The recently opened Dream Mall in Kaohsiung has allowed this city to claim having the largest shopping mall in Taiwan and probably the largest in Asia. It contains 9 floors of speciality shops, restaurants, a cinema complex, an entertain complex and to top it all off, a roof top fun park with a giant Ferris wheel. |
| 【British Consulate at Takao】 |  | From a hilltop perch, the former British Consulate building commands a panoramic view of Kaohsiung Harbor, Siziwan and downtown. The baroque-style brick compound is now used as a historical museum, cafe and restaurant. It is also a popular site for taking wedding photos. |
