【Cijin Island】		Traditional Chinese-style buildings and pedicabs with period-attired drivers make a trip to ShashanIsland a journey to the past. Strolling along the beach in Cijin and feasting on the tasty and inexpensive seafood energetically promoted by proprietors along Cijin Old Street further adds to the mood of a summer island retreat..
【City Light Gallery】		Located at the intersection of Chunghua and Wufu Roads. City Light Gallery enables the artists to speak up for Kaoshiung. During the day, it is the green chest of the harbor city, permeated with coffee' s aroma. During the night, the artists' works are the focus of the spotlight. Turing an old park into an artistic space, Kaoshiung did a good job, indeed!
