【Cijin Island】		Traditional Chinese-style buildings and pedicabs with period-attired drivers make a trip to ShashanIsland a journey to the past. Strolling along the beach in Cijin and feasting on the tasty and inexpensive seafood energetically promoted by proprietors along Cijin Old Street further adds to the mood of a summer island retreat.
【British Consulate at Takao】		From a hilltop perch, the former British Consulate building commands a panoramic view of Kaohsiung Harbor, Sizihwan and downtown. The baroque-style brick compound is now used as a historical museum, cafe and restaurant. It is also a popular site for taking wedding photos.
【Zuoying Wannian Folklore Festival】		Experience the festivity and energy of a Taiwanese temple fair at the Kaohsiung Zuoying Wannian Folklore Festival. During the festival, you can write down your wishes and send them to heaven for good luck, or join in the lighting of the fireworks to send off the "Fire Lion" on his journey to take your prayers and wishes to eaven.
